

# Petition for the Mary McLeod Bethune Park

By signing this petition, I am showing my support for the development of the **Mary McLeod Bethune Park**, which will create a centralized greenspace area for various social, cultural, and recreational activities. The new park will function as an extension of the Mary McLeod Bethune Life Center, creating a completed, and long overdue cultural-community epicenter for the entire Jackson Hill / Greenville community. The creation of the new park will involve relocating and renaming the current Fulton Avenue Park (located between MLK and Bergen). Fulton Ave. Park and the Bethune Center Parking lot (located on MLK Dr. between Dwight St. and Fulton Ave.) will switch locations.

# Petition for the Mary McLeod Bethune Park

Kia's friend

By signing this petition, I am showing my support for the development of the **Mary McLeod Bethune Park**, which will create a centralized greenspace area for various social, cultural, and recreational activities. The new park will function as an extension of the Mary McLeod Bethune Life Center, creating a completed, and long overdue cultural-community epicenter for the entire Jackson Hill / Greenville community. The creation of the new park will involve relocating and renaming the current Fulton Avenue Park (located between MLK and Bergen). Fulton Ave. Park and the Bethune Center Parking lot (located on MLK Dr. between Dwight St. and Fulton Ave.) will switch locations.

	NAME	ADDRESS	SIGNATURE	DATE
