Superior Court of New Jersey

Re: Leonard Filipowski v. Brian Stack, et al.
Docket No. HUD-L-002686-24

Dear Judge Jablonski:

This firm represents defendant Brian Stack, in his capacity as Mayor of Union City ("Mayor Stack"), in the above matter. We write to request clarification regarding the Court's Order dated August 16, 2024 denying plaintiff Leonard Filipowski's ("Plaintiff") order to show cause seeking a preliminary injunction.

At the hearing on August 16, the Court decided that Plaintiff's compensatory claims would be addressed "following the resolution of the equitable aspects of the complaint," which is reflected in the Order. The Order also refers, however, to Plaintiff's claim for legal fees and costs, which we do not recall being addressed during the course of the hearing.

We would respectfully request, therefore, that the Court modify its Order dated August 16, 2024 to reflect that legal fees and costs were not awarded at this time, but rather that the Court has deferred the issue to be considered at a later date in connection with Plaintiff's compensatory claims.

We appreciate the Court's attention to this matter and consideration of this request.

Respectfully submitted,

CHIESA SHAHINIAN & GANTOMASI PC
