

JIMMY DAVIS *for* MAYOR

NEW LEADERSHIP. NEW DIRECTION.

JIMMY DAVIS
Son of Bayonne

Jimmy is an Independent Voice running for Mayor, who puts people before politics. Born and raised in Bayonne, Jimmy is married with three children. Jimmy dedicated his life to public service. A Captain in the Bayonne Police Department, Jimmy has served in Law Enforcement for over 27 years and spent 6 years working with the F.B.I. Organized Crime Task Force.

Jimmy has a plan to turn Bayonne around:

- **Revitalize Broadway:** Broadway is the heart of Bayonne. Jimmy has a plan to create a Broadway Town Center from 22nd street to 26th street which would house a state of the art Performing Arts Center, outdoor cafes, restaurants and pedestrian walkways. Creating a better Bayonne starts with rebuilding Bayonne's heart.
- **Stabilize Taxes:** Taxes have consistently risen under Mayor Mark Smith. Jimmy plans to stabilize taxes by redeveloping the Military Ocean Terminal and putting an end to unnecessary 30 year tax abatements that the homeowners have paid for.
- **Reduce Crime:** As a police officer, Jimmy knows the importance of getting officers out of the cars and back on the streets working with members of the community to stop crime before it occurs. Jimmy also wants to mandate that all incoming police officers have to live in Bayonne a minimum of 5 years after taking their oath. Statistics from across the United States show that when an officer lives where they work, crime goes down, not up.
