IN THE STATE OF NEW JERSEY

Administrative Action

**INTERIM CONSENT ORDER**

This matter was opened to the New Jersey State Board of Medical Examiners ("Board") upon the filing of a Verified Complaint and Order to Show Cause on August 4, 2015, with a return date of August 12, 2015 seeking the entry of an Order temporarily suspending the license of Respondent, John J. McGee, M.D., to practice medicine and surgery in the State of New Jersey pending completion of plenary proceedings.

The Verified Complaint alleges that Respondent's acts constitute violations of N.J.S.A. 45:1-21 (c) and (d) (gross negligence, malpractice or incompetence, and/or repeated acts of

negligence, malpractice or incompetence); 45:1-21(e) (professional misconduct); 45:1-21(h) (violation of Board regulations); 45:1-21(m) (indiscriminate prescribing); and 45:1-22 (clear and imminent danger to the public warranting a temporary suspension of his license to practice medicine).

Upon Respondent's request for an adjournment of the August 12, 2015 date to afford himself and his counsel, Frank P. Arleo, Esq., additional time to prepare for the temporary suspension hearing, Respondent entered into an Interim Consent Order to cease and desist from prescribing any Controlled Dangerous Substances (all schedules) and HGH (Human Growth Hormones) and/or anabolic steroids to any and all patients pending a hearing on the Attorney General's application for temporary suspension on September 2, 2015.

The parties being desirous of entering into an interim resolution of this matter pending a plenary hearing, and it appearing that Respondent has read the terms of the within Order and understands their meaning and effect and consents to be bound by same, and the Board finds that the within disposition is adequately protective of the public health, safety and welfare, and for good cause shown,

IT IS, therefore, on this 31 day of August, 2015,

ORDERED THAT:

1. Respondent shall cease and desist from prescribing (including administering and/or dispensing) all controlled dangerous substances ("CDS"), Human Growth Hormones ("HGH") and/or Anabolic Steroids, to any and all patients for any reason(s) or purpose(s) until further order of the Board.

2. Respondent shall undergo a full evaluation and assessment of his general medical

knowledge and skills, including but not limited to the prescribing of CDS (all schedules), HGH and/or anabolic steroids, and any other areas deemed appropriate by the Center for Personalized Education for Physicians (“CPEP”) or by the Upstate New York Clinical Competency Center for Albany Medical College (“Assessment Center”). Respondent shall fully and satisfactorily follow and complete all of the recommendations the CPEP or Assessment Center may make with regard to additional evaluations, practice restrictions and professional education. The full and complete results from the Assessment Center or CPEP and the results of completion of the recommendations, if any, must be provided to the Board. Respondent will ensure that all necessary releases are executed with the Assessment Center or CPEP so that the Board and Attorney General will have access to his evaluations, assessments, and possible recommendations made by the Assessment Center or CPEP shall be the responsibility of Respondent. The costs for this evaluation and assessment shall be the responsibility of Respondent.

3. Respondent shall have a Board approved monitor review randomly select 10 charts to review per week. The Board approved monitor shall provide the Board’s Medical Director, Sindy Paul, M.D. with quarterly reports regarding Respondent’s practice. Respondent expressly waives any claim to privilege or confidentiality that he may have concerning reports and disclosures to the Board, and use by the Board of that information in any license proceedings, including any information obtained or discovered by the Board approved monitor or any other person. All costs associated with the supervising outlined above shall be the responsibility of the Respondent and paid directly by the Respondent, including the entirety of the cost of the Board approved monitor’s assistance.

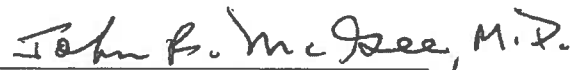

4. The parties hereby stipulate that entry of this Order is without prejudice to further

action, investigation, and prosecution by this Board, the Acting Attorney General, the Drug Control Unit, the Director of the Division of Consumer Affairs or other law enforcement entities resulting from Respondent's conduct prior to the entry of this Order. The Board shall retain jurisdiction to enforce the terms of this Order. Upon receipt of any reliable information indicating that Respondent has violated any term of this Order, the Board reserves the right to bring further disciplinary action.
