

It must be nice to be the King! While working class families struggle to pay their bills, King Turner does not have that problem. Just recently the King was appointed to a \$90,000 six-month job in West New York.

Before taking a leave of absence, he was also making \$120,000 as the Chief of Staff to Congressman Albio Sires, (someone has to watch the office while Albio is off playing golf).

Not to mention another \$8,000 as mayor, \$5,000 on the NHRF&R board AND he's collecting a \$71,645 pension. Don't forget that his wife also earns \$106,000 at the Union City Board of Education too.

While King Turner is raking in OUR tax dollars, the average Hudson County Resident makes\$58,442 a year.

It's time to end the Oligarchy. Say no to Turner and his cronies who are wasting our tax
